## Interpolating Projections in Hardy and Whitney Spaces.

By

**A. Goncharov**  
(Bilkent)

**Abstract:** The existence of a bounded sequence of interpolating projections in the spaces of analytic and infinitely differentiable functions is discussed.

**Date:** Wednesday, September 27, 2023

**Time:** 13:30 – 14:30

**Place:** Mathematics Seminar Room, SA – 141
