TOPOLOGY SEMINAR

Segal Spaces II

By

Igor Sikora
(Bilkent)

Abstract: In this talk, we will continue introducing the third model of infinity categories: complete Segal spaces. The following notions will be covered: Segal spaces, homotopy category of Segal spaces, completeness of Segal spaces and CSS model structure.

Date: Monday, April 24 2023
Time: 13:30
Place: SA141 - Mathematics Seminar Room & ZOOM
