Fall 2013 Math 102
Grading Option B Contract

I, the undersigned, agree that my course total in the Fall 2013 Math 102 course will be calculated according to **Grading Option B**, in which each exam (two midterms and a final) has a weight of 30 2/3%, the homework has a weight of 8%, and the *Final Deal* bonus formula changes to min(1.4375 min(MT1,MT2), max(F,min(MT1,MT2))).

I understand that the quizzes do not contribute to the course total in this grading option, and that I will not be allowed to make changes in the grading option after Friday February 15, 2013.

I acknowledge that I have been fully and completely advised of the potential risks of choosing the Grading Option B, and I assume full responsibility for my choice.
